

## Hands-On FTA Course

February 13-14

[www.hcrq.com/hands-on-fault-tree-analysis-course.html](http://www.hcrq.com/hands-on-fault-tree-analysis-course.html)

Each attendee is equipped with:

- a computer networked to a printer,
  - and FTA software (CAFTA)

Includes Our Famous 28 Pass/Fail Criteria  
That Is Now Being Used By End Clients

Many Organizations Have Been Taught  
Both Here in Virginia  
And On-Site (e.g., LLNL, SNL)
