

## Newsletter - July 2014

### Web Site Makeover

Our web site is continuing to undergo a massive redesign and improvement. Please stand by.

### 59th Annual ATCA Conference & Exposition

September 28–October 1  
[www.atca.org/59Annual](http://www.atca.org/59Annual)  
Look for our booth!

### New Webinar: Threat & Vulnerability Analysis (TVA)

Based on our work in security, we are pleased to announce this webinar.

[www.hcrq.com/WebinarTVA.html](http://www.hcrq.com/WebinarTVA.html)

### Webinar Scheduling

We have made a change to our webinar scheduling.

Now, you select the date/time.

This is particularly helpful to our overseas customers (e.g., Thales Australia).

### Fault Tree Analysis Acceptance/Rejection Criteria

This checklist consists of 20 items:

- 9 mandatory
- 5 highly recommended
- 6 desirable

[www.hcrq.com/ftqa.html](http://www.hcrq.com/ftqa.html)

### Proposal Assistance

HCRQ offers outstanding expertise in proposal writing, technical writing, and vetting.

In addition, we have been significant contributors on:

- pink teams,
- red teams, and
- tiger teams.
