

## **Training Opportunities**

If you have been watching the HCRQ news, you will be aware of courses and webinars that we are now offering. If not, the following is a current list.

Being sensitive to recessionary effects on your training budgets, we are offering discounts on each of these.

## **System Safety Course**

This is a 5-day course being held here in Williamsburg, VA October 5-9.

Very significant discounts are available.

There is still room remaining.

## **SSPP Webinar**

This webinar is scheduled for October 1.

## **PHA & HL Webinar**

This webinar is scheduled for October 15.

## **Consulting For Success Webinar**

This webinar is scheduled for October 1.

## **Help Desk**

Perhaps you have a technical question, you need an explanation, or you are looking for something.

Recently, we began offering "help desk" service which can save you time and money.

For convenience, there is a help desk link at the bottom of each web page.

## **A Personal Note**

These are arduous times for us all. The impacts, in some cases, have been severe. Some have lost their jobs, their homes, their marriages, their health, and even their lives.

Our focus on safety is driven by a desire to benefit mankind.

We wish you, your families, and loved ones well.

"May the road rise up to meet you.  
May the wind be always at your back..."
