

Corporate Safety Policies

You may recall our discussing these in our October 2008 newsletter.

Recently we have seen renewed interest in developing these policies. One reason has been that companies have become fearful of injuries and law suits at a time when they can least afford them - during these challenging economic times. Another reason has been external safety audits.

SSPPs - Again

We are now seeing interest in SSPP content by attorneys.

New Links

We have added more links at the bottom of each web page.

We added links for:
"news",
"scheduled courses", and
"help desk".

Reference Material

Our busiest web pages are those dedicated to reference material.

These web pages are accessible via a link at the bottom of each web page.

More updates are pending.
