

Newsletter - September 2018 Update #3

We Apologize and Are So Sorry

We apologize for inundating you with yet another newsletter this month.

Hurricane Florence has caused so much grief, disruption (over 800,000 without power), damage, injury, and loss of life.

We did not want to delay expressing our condolences to those of you or your loved ones who have been affected by this travesty. Our hearts go out to everyone.
